Sir,

Subject - Dodballapur Municipal High School-
Teacher - Employment of -

- oOo -

I have the honour to state that there were 3 vacancies of teachers on the Staff of the Dodballapur High School, two of which a were permanent and one temporary One of these has been classed as General and the other two special They were duly advertised on several occasions but there has been no response in respect of the Special vacancies though some applications were receiv for the general vacancy One Mr T Ashwathanarayana Rao, B S was appointed on Rs 40/- in the grade of Rs 40-4-60/- for the general vacancy In the meanwhile, the High School Committee resolved on 31-10-43 that as there were quite a good number of girl students attending the School, a Lady Graduate may be appointed in one of the vacancies, giving her the benefit of a start of the maximum in the grade if need be A recommendation was accordingly made to the Law Secretary to Government in the matter in this office No M H T 10/43 dated 18-11-43 which however, did not find much favour with the Director of Public Instruction, who could see no point in the appointment of a Lady Teacher in a Boys' School Thus, the School virtually remained without these two posts of Teachers being filled up for want of applications from Graduates of the backward communities

1 One Mathematics Graduate on Rs 40/- in grade Rs 40-4-60 (permanent)
2 One Science Graduate on Rs 40/- in grade Rs 40-4-60 (Temporary) (permanent)
3 One ~~Science~~ Graduate on Rs 40/- ~~in grade Rs 40-4-60/-~~ (Temporary)

2 As ultimately it was the students that suffered, as a consequence and the S S L C students in particular did not receive that amount of coaching in Mathematics and Science subjects that they needed, one Mr S Krishna Murthy, B Sc a locally available Brahmin candidate was appointed purely as a very temporary measure, to tide over the situation and to give such facility that was possible in the circumstances He executed the necessary bond agreeing to serve the School for a period of two years on the 23rd April 1944, but tendered his resignation to this post on securing a better post elsewhere in the General and Revenue Secretariat

3 One Mr H L N Sastri, B Sc , B T , who was another of those applicants for the post, was appointed to act in the other vacancy, as he was fully qualified to teach Science and Mathematics and had also some teaching experience He is willing to take up the post only if he is given a start of Rs 60/- in the grade and does not seem to have joined duty so far - - - Thus, practically the two posts have remained vacant inspite of best efforts of all concerned One Mr T S Sundaram, B Sc , who subsequently applied for the post was appointed, but when he was called upon to execute the bond, demurred and resigned the job after serving for a brief period of two days There is now, in addition, a need for opening one more Section in the first year class due to large number of boys and there is a clamour both from the parents and the students for the appointment of the requisite number of teachers The people and students waited in a deputation on me on the 28th ultimo and I told them that if Teachers were available, we shall appointment them immediately

4 I am enclosing herewith two applications received from Messrs S Suryanarayana Rao and L Sreenivasa Rao Mr Suryanarayana Rao is a B Sc , (P C M) who is a Mathematics Graduate, employed elsewhere and is willing to take up service if he is offered Rs 60/- Mr Srinivasa Rao, the other applicant is a

Graduate of the Madras University, with training in Teaching having passed the B Ed , Degree with Science as his optionals He is also prepared to take up service in the School if he is offered Rs 60/- and -- Dearness Allowance

5 I am afraid, the minimum pay of Rs 40/- in the Grade is not likely to secure any qualified Teachers just now, for employment in the School, in view of the very attractive salaries that they are able to get elsewhere I ~~am~~ therefore, recommend that the candidates mentioned above may be given Rs 60/-, the maximum in the grade, at least as a temporary -- measure for the duration of the War, as otherwise the Education of the students will suffer irreparably I have, in anticipation of sanction, directed them to report themselves for duty to the Municipal Council, till proper candidates could be secured from the candidates of the backward communities, in view of the fact that the interests of the School boys should not be allowed to suffer They may be started on Rs 60/- and continued for the present till such time that candidates from the Backward communities offer themselves for -- employment

I request the favour of immediate orders in the matter
